

Find the Right Graduate Program for You at the UW College of Business

We offer a variety of graduate programs at the University of Wyoming College of Business. Discover which of our programs can help you achieve your career goals.

Full-Time MBA

We offer a traditional, on-campus, full-time MBA program. Students are given unique experiential learning opportunities. You can network face-to-face with C-level executives, acquire global economy knowledge through our international experience, participate in company consulting projects and attend a leadership summit in Jackson, Wyoming.

Accounting

Our Master of Science in Accounting (MSA) program can be completed fully online and is designed for students who wish to pursue a career as professional accountants in public accounting, the private sector or government/not-for-profit organizations. The MSA will provide you with the skills necessary for a successful career as an accounting professional. In addition, the MSA degree satisfies the educational requirements for licensing as a Certified Public Accountant (CPA) in Wyoming and most other jurisdictions.

Check with your state's accountancy board or the National Association of State Boards of Accountancy (<https://nasba.org>) for specific CPA licensing requirements.

Online MBA

Our fully online MBA program provides flexibility and is designed to fit your busy schedule. Intended for professionals who are interested in enhancing their understanding of business disciplines and applying them to decision-making in the workplace, this cohort-based program begins each Fall, Spring and Summer semester and consists of 30 credit hours of coursework
